My dearest Lynell,
In the past three years that I have had the most cumbersome duty of the DN production staff, that is working with you, I have just begun to realize that I would much rather have had a ten-ton block of dehydrated cow manure dropped on me and my guts pulled out and eaten by army ants. But I love you anyway!

★ Kim H.:
Happy "35th" Birthday to a great friend! It was pretty clever of you to have your birthday on the last day possible to receive a "personal" this semester. Why don't you have your people call my people and we'll do lunch? (I knew that would make you gag...) Too bad you can't get me back for this since my birthday's in the summer! HA! (As "AIF" would say...) -Jan M.

To Stuart & Craig Fagan,
All 3 of us came here 3 years ago to complete 3 years of school. Now 3 years later we only have one 3 hour exam left (today) and then all 3 of us will be done. Soon the 3 of us will be on our way home to California. Are you tired of hearing the word 3? Me three!
