

Sartor Hamann Jewelers

The lasting value of a diamond.

Nature's generosity is not unlimited. Nor is the diamond supply inexhaustible. Extraordinary stones of a carat or more are so rare and growing scarcer every year. Like love, they become more precious with time.

Just think of the emotional and lasting value of giving a diamond this extraordinary to the woman you love. Price appreciation cannot compare with her appreciation. And after all, your real investment is in love.

Sweetie

Continued from Page 9

In this tale of sibling love, hate, confusion and idiocy between Sweetie and Kay, Campion exerts her directing and humanity-expose genius: digging into her characters' hearts, souls and minds and dissecting their true, cohesive beauties and frailties, with wry and darkly comical delight, allowing only fate to put life back together.

"Sweetie" will play tonight through Sunday at the Sheldon Film Theater. It will return for a second engagement June 21 to June 24.
