UNEXPLAINED MYSTERIES
AN HONEST-TO-GOD TRUE STORY. I SWEAR TO GOD!

That April when I was eight something weird was going down in my friend Greg's rain spout.

Must be a bird or something trapped in there.

Scratch
Scratch
Scratch

He took a big stick and poked it up the spout. All of a sudden this giant blue claw shot out and started pinching & snapping.

Geez, Man, take off!

MOM!

And now, all these years later, I still wonder ~

"WHAT WAS IT?"
(an unexplained mystery)

Where y'all live

THE END?
