HEY, GIRLFRIEND! Zach, 1990, what a year. It's been pretty hellish I know. There were some definite highlights though: We began the year with the D.A. party of the year. Vodka jello, what a taste treat, sorry about your sweater. Then there were endless trips to Russ's at 3:00am and sharing a room. Fake eyelashes, plastic coats, lights lights lights, patent leather pants, hair dissatisfaction: what a fashion catastrophe! Our East Coast summer- you New York Club king! Frying ourselves at the beach, too bad it rained every time you came to Montauk. IKEA IKEA- the Disneyland of stores, what strategy, what form we had. The drive back was great. We haven't seen each other as much this fall and things have been different, but underneath it all I do love you. Have a Merry Christmas. Enjoy being a freak with Zedie in Seattle, but don't corrupt her too much! Love, Jen

Jeff (The Butt): Roses are red Violets are blue You're the butt So stop calling me one. Even though sometimes you can be the most ANNOYING and UNREALISTIC person on the face of the ENTIRE PLANET, and we have a most BIZARRE relationship, you're still a wonderful guy (with a FINE butt) and, against the advice of others, I still love you. You should trouble me more often. Have a Merry Christmas and if you have a choice and decide to go to Thailand — change your mind. I want you to stay. Love, Your old twist strange.

P.S. I had a dream that YOU sent ME a personal. How strange.

Needed: Someone to buy my roommate Best offer! She's toilet trained. Mindy

Tim (CAP): Thanks for all your help and support throughout the year. Have a great Holiday break. Cathy

Diane: It's 6 p.m. Monday. Julie S. and Karen R. (Pound Peakers) are fighting over their VCR, debating over who is actually responsible for the Guiding Light addiction that is sweeping their room. I'm unsure of the significance of this event. I am, however, sure that I will need some foam-rubber earplugs so that I will no longer have to listen to their owl-like screeching.

Brooke: Just wanted you to know I haven't taken off my necklace and wondering is the bet still on that I can eat 10 fried worms over Christmas? See you in 5 days. Love, Your Wonderful big sis
