Continued from Page 9

"Um . . ." I said.

"Your choices are: A) No, I'm an ignorant, commie-loving traitor, and I think the United States is wrong. B) Yes, God bless America and hip hip hooray for the U.S.A.! Kick their turban-wearing butts back to the Stone Age. C) Not sure," Jackie cooed.

"Jackie, I think my answer is A, but I'm unclear..."

"What? Did you say A?" Jackie cried. "Do you need me to repeat the question?"

"I want the answer that implies our military action is unjust and ill-conceived," I said.

"What? You're confusing me. Do you want B, or don't you?"

"No, Jackie! I want A. I am a commie-loving traitor, and I want A!"

"Are you aware that more than 84 percent of our respondents thus far have picked B? Maybe you'd like to change your mind. Certainly you don't want to be in the minority," Jackie insisted.

"I want A!" I screamed.

"Fine," Jackie said tersely. "Next

question: Do you approve of President Bush's competent, skilled, expert, God-supported handling of the fight for freedom in the Gulf?"

"No, Jackie, I do not."

"You've got to be kidding!" Jackie wailed. "I thought you said you were an American."

"Jackie," I said, "can we just finish this survey, please? I'm becoming very depressed."

"Why bother? You'll only ruin our percentages and screw up the truth," Jackie said. "But I guess we need the double-crosser opinion too. Next question. Recently, the long-hairs and the dope-smokers have been slithering out of their satanic lairs and have actually been protesting our noble actions in the gulf. Do you think these losers should: A) Stand behind the actions of their freely elected white male leaders or get the hell out of our land of the free, or B) Continue in their un-American ways. Please, sir. Try to get this one right."

"My response would be B. I take a great deal of pride that I live in a country where these people can freely express an unpopular opinion," I said.

"OH, CHRIST!" Jackie exploded. "Why don't you just go live in Iraq if

you hate it here so much?! We should boil demons like you in your own anti-American juices! I can't believe you! We're trying to conduct an impartial survey and you insist on lousing it up with the wrong opinions!"

"Jackie, please. Take pride in a nation where I can express this opinion. Wave the U.S. flag in support of a land where we can stage rallies for the most offensive causes. Don't express pride in war. Don't cloud up the real horror of war with false pride and the U.S. flag."

"SATAN! SATAN! SATAN! You don't deserve to live! I hope you get drafted and have to go right to the front lines where you're killed by the Iraqi soldiers you're so very much in love with! Burn in hell, you liberal!"

Click.

And with that, the phone call was over. The phone survey helped me to realize that something is terribly wrong in this country.

I crawled back into my beanbag cocoon and turned on MTV.
