NU gets in shape for Hoosiers

By Chuck Green
Senior Reporter

Tim Neumann is getting tired of hearing about injuries to his seventh-ranked Cornhusker wrestling team.

After Wednesday night's dual loss to Minnesota, Neumann is sure to be even more exhausted.

Against the Gophers, All-American Corey Olson wrestled for the first time in two months and aggravated a torn ligament in his knee. He lost by injury default.

Olson's status will be in question Saturday, when Nebraska takes on Indiana at the Bob Devaney Sports Center indoor track in the second-to-last dual of the season. The dual is scheduled for 5 p.m.

"We still don't have our best lineup yet," Neumann said. "But I'm looking forward to the Indiana dual, because I think that will be as close to a

full lineup as we've had since the Iowa State dual (Dec. 15). Some of the guys have been coming around real well, and it's just a matter of getting them into wrestling shape.

"But we still have a couple of guys who still need the time, which is something that we're running out of this late in the season."

Neumann said he expects Dave Droege Mueller, Nebraska's starter at the 134-pound weight class, to return soon. Chris Nelson, the 190-pound starter, returned against Minnesota and won a 17-5 major decision.

Scott Chenoweth, Nebraska's regular at 167, is out for the season, Neumann said. Chenoweth, a senior, detached a chest muscle from the bone during practice last week.

Nebraska and Indiana have split 10 previous meetings, but have met

only once during Neumann's reign as coach. The Huskers won that one, 21-12, at the 1989 Virginia Duals.

Last season, the Hoosiers finished eighth at the NCAA championships after posting a 14-0 record in their dual season.

"They lost a lot of people to graduation from last year," Neumann said, "but they're still pretty good. They beat Illinois and Northwestern recently, so they'll be running at full speed."

Nebraska's probable starters:

- 118 — Jason Buxton (3-1)
- 126 — John Buxton (18-4-2, ranked No. 7 in the nation)
- 134 — Jason Kelber (25-2, No. 2)
- 142 — OPEN
- 150 — Layne Billings (6-5)
- 158 — Todd Enger (19-11-1)
- 167 — Tommy Robbins (10-10-4)
- 177 — Corey Olson (20-5, No. 2)
- 190 — Chris Nelson (14-3)
- Hwt. — Sonny Manley (15-8-1)

Hall broadens her sports horizon

By John Gardner
Staff Reporter

Cris Hall has joined the ranks of Bo Jackson and Jim Thorpe.

Hall, a Nebraska volleyball standout for three years, has joined the Cornhusker track and field team as a high jumper.

A state high school champion in the high jump and long jump from Chanute, Kan., Hall said she enjoyed jumping so much in high school that she wanted to try it again. But she said it hasn't been easy.

"It's been sort of strange coming back after three years," Hall said, "then practicing for two weeks for a quality meet like the Husker Invite."

At the Frank Sevigne Husker Invitational last week, Hall cleared 5 feet, 10 inches to give her a provisional qualifying mark for the NCAA indoor track championships.

This comes in the midst of considerable volleyball success.

Hall is a starting outside hitter for the Nebraska volleyball team that has reached the Final Four the past two seasons. Hall also has participated at the 1990 U.S. Olympic Festival and with the U.S. National "B" Team.

Hall also has battle injuries. At the beginning of her sophomore year, she

began to experience back problems.

Hall, who studies pre-physical therapy, said she first found out that she had a herniated disk. Later, she discovered she had a muscle imbalance in her back.

The problem became more serious, Hall said, and she visited a specialist in San Diego. After this, Hall began to do one hour of special exercises every day for her back. She said the pain only comes on during vigorous exercise. If it wasn't for athletics, she said, the special exercises wouldn't be necessary.

"I do the exercises so I can com-

pete at the Division I level," Hall said. "Otherwise, I wouldn't be doing them. My back doesn't bother me when I'm just sitting around."

The pain is worst, she said, when she lands on the floor playing volleyball. And it's a problem that won't just go away.

"It's going to be with me forever," she said.

Competing in the high jump, however, has no effect on Hall's back. She said this has given her a chance to train hard every week.

With the indoor Big Eight Championships coming up in a week, Hall said, she will go at it hard in hopes of automatically qualifying for nationals. But she doesn't particularly like competing inside.

"I tend to jump a lot better outside," she said, "just for the simple fact that I'm more of an outdoor person."

"You'll see a big difference in my jumping (between) now and the outdoor Big Eight championships."

Next fall, Hall will return to the Nebraska volleyball team. She has two simple goals for next season: national championships in volleyball and in track and field.

"I might as well dream big," she said.

Top NU women's tennis team paired again

By Jeff Singer
Staff Reporter

The Nebraska women's tennis teams will travel to Des Moines, Iowa, this weekend for dual matches against Drake and Wichita State.

The Huskers are coming off a weekend in New Orleans in which Tulane and Mardi Gras got the best of the Cornhuskers.

But this time the Huskers' No. 1 doubles team of Nancy Tyggum and Rachel Collins will be back together as they battle the Bulldogs on Saturday and the Shockers on Sunday.

"I think we'll do very well this weekend," Nebraska coach Bob Hampton said. "We're very familiar with both teams."

The familiarity Hampton mentioned comes from watching and playing

Drake and Wichita State last fall in the Husker Invitational.

"I like to think of these kind of matches as tuners for next weekend and the Big Eight," Hampton said. "I hope we don't take these matches too lightly though, otherwise we'll get beat like we did against Tulane."

Next weekend's match is Nebraska's home opener against Creighton.

Chiefs, Reds stars to autograph cards

Christian Okoye and Billy Hatcher will be celebrity guests at the SportsCard Show V this weekend in the Nebraska Union.

The show will run from 9:30 a.m. to 4 p.m. Saturday and Sunday on the second floor of the union. Okoye,

running back for the Kansas City Chiefs, will sign autographs from 12 to 3 p.m. on Saturday and Hatcher, outfielder for the world-champion Cincinnati Reds will sign autographs from 12 to 3 p.m. on Sunday.
