Last Word,

l already have a life, chump, Instead, why don't you grab the reins and address your own internalized homophobia and latency? I could care less how you guys use your mouths on each other, either in fact or fantaay, but your 'joke' is not a joke when it involves perpetualing a hoax. Where do you get off savaging the dignity of others through innuendo? Do you actually believe the gerbil story? If not, why repeat it? it isn't funny; it's an affront, so, you're the clueless loser and the guilible idiot.
