The Textured Shirt. If you're fat and forty, forget it.

The epitome of a geek. Many have tried, but few have achieved, the '70s macho look — the aura of a management-loving man. It just cries out for a pocket protector ... or some kind of protection.

Tri-Phis' penis extenders put them on top

By Al Koholic
Staff Cheezer

In an independent study conducted by the Panhellenic Board, the Tri-Phis were found to be the biggest dicks on campus.

Tri-Phi president Peter Wacker said the addition of a new penis extension machine is what put them on top.

"Our members are really devoted to penis size. There isn't a moment during the day that one of our guys isn't putting in some time on the Whack-o-Matic," he ejaculated.

A Panhell delegate who wished to remain anonymous concurred with the study and said she also thought the Tri-Phis were the biggest dicks on campus.

Sig Sig was a close second in the race. Sig Sig member Matt Surbate attributed the showing to strong membership within the house.

"Between ANUS elections and on-campus leadership, our members were whacking each other off to get leadership positions from guys higher up in the house. That came in hand — I mean handy," he ejaculated.

Coming in the rear — last place in the survey — was Smegma Epsilon Chi.

Pi Kuppa Thigh

It's really neat that your house has stock in Dep.

Why are you all on the rag?

Big dicks on campus

In a campus-wide survey, the Tri-Phis pulled out ahead of other fraternities.

Silence of the Lambdas

Nearly all fraternities answered the survey. The Tri Phi beat off other houses by answering all questions while the Smegma Epsilon Chi lost interest after the first few questions. The Delta Nus took the longest to answer and the Lambda Chus did not respond at all.

Tri Phi spent 3 min.
Smegma Epsilon Chi 5 min.
Delta Nu 10 min.
