They should have relevant sales experience, perhaps academic preparation in advertising, marketing and management. The ad manager directs the display and classified advertising departments including training, supervising and managing the ad staff, coordinating regular staff meetings, developing strategies for increasing sales and responding to complaints. The ad manager is hired from mid April, 1992-May 7, 1993.

Editor In Chief

The 1992-93 editor in chief formulates editorial policy, determines guidelines for the daily operation of the newsroom, hires the senior editorial staff, helps determine the content of the editorial page and prepares the editorial salary budget. Applicants must have one year of newspaper experience, preferably at the Daily Nebraskan and submit clips when applying. The position begins August 1, 1992 and lasts until May 7, 1993.

Both positions pay \$950/month (except December and May) and report to the UNL Publications Board. The editor and ad manager must be enrolled at UNL for at least six credit hours during each of the two 1992-93 semesters and maintain a minimum 2.0 GPA.
