

# 'The Greatest Show on Earth'

Clockwise from top left:

The Ringling Bros. and Barnum & Bailey Circus features 11 tigers and five lions that perform various antics. The circus will be Tuesday and Wednesday at Pershing Auditorium.

David Larible, a new headliner with the 121st edition of the circus, said, "From the moment I was born, the clown was in me. David the clown and David the person are one and the same."

Acrobats from the People's Republic of China have a unique approach to setting the table.
