**\$1,887 (120MB)**

**\$2,080 (212MB)**

PS/ValuePoint computers are inexpensive, but deliver true IBM quality. So now you can spend less without settling for less.

Each PS/ValuePoint is engineered and tested to meet not only industry standards, but also rigorous IBM standards of performance and reliability.

The PS/ValuePoint line features a range of 386 to 486 processors, 80 to 170MB hard drives and 2 to 8MB of RAM.

And each system is easily expandable and ready for networking. So it keeps your costs down and protects the investments you've already made.

Plus, every PS/ValuePoint computer comes with IBM's Helpware, our comprehensive service and support plan which is unmatched in the industry.

To put a very affordable PS/ValuePoint to work for you, visit the University of Nebraska's **CRC Computer Shop**.

#### The HelpWare Advantage

- 1-year onsite warranty
- Service: next business day
- 900# assistance - 7 days a week, 24 hours a day
- 30-day money-back guarantee
