The TRICKY TRIPTYCH CAPER

Damn! Buggy, are you...  
Dead!

Quick, out the back!

The tracks lead this way.

An abandoned warehouse!

All right, hold it right there.

Why it can't be! You're dead!

Not yet, Inspector Insect, though you may wish I was.

Caught in my net again. Eh, Cricket? What evil Cruciface! What evil are you up to this time?

The resurrection of the dead!

St. Dennis will rise to do my bidding!

Why would a saint aid a villain, Cruciface?

No saint! But history has forgotten that along side Vlad the Bad, and other rhymy dimey villains, there was perhaps the greatest fiend of all!

Dennis the Menace!

And once he is resurrected I will rule the world!

Leave thou thy cohorts; and come the lock, the Mister Wilson, Hear my voice I command you!

Arggh! No!

A menace to evildoers, Cruciface!

Let that be a lesson to you.
