 Leave information lying around somewhere, we'll find it eventually, or call 472-2588. The deadline really doesn't matter does it?

SITES

Undone Memorial Art Gallery city campus
 Movies: once in a while; special things: every so often; and a wonderful collection of art like that flat piece of metal that just looks like part of the floor and that huge phallic symbol that used to sit on the steps provocatively inviting all the connoisseurs of art in for a taste: every damn day.
 University of No-Opportunity Who cares?, Fri., through sometime later.

Personals

Barly
 Get the hint. Leave me alone. Ed

Girl in red sweater, in the Union, 1987
 We made eye contact, I think, and I've regretted for years that I didn't have the balls to talk to you right then and there. But it's easier this way, hiding behind a mask of anonymity in the personals section. Please please make a worthless SWM's life less empty. Will meet anywhere for further eye contact. A. Wimp

Woman in spandex and leather on O St.
 We made eye contact. Why didn't I talk to you then when I had a chance? Oh God I am a shell of a man. Loser

Woman,
 Enjoyed the eye contact. Same time next week? Coward
