English Conversation

English Conversation
Partners Wanted

The English Conversation Program matches U.S. and foreign students possessing a common interest in gaining a greater understanding of each other's culture and language. Once matched, ECP partners independently arrange for weekly meetings of an hour or more to participate in activities or conversation. Although, tutoring may be basic to the ECP relationship, the format used is relaxed conversation rather than formal instruction. Currently we still need several U.S. students to match with the foreign students on the waiting list. If you are interested in a cross-cultural experience, have a desire to help others and can spare about an hour a week, please come to international Affairs at 1237 R Street to sign up or call 472-5358.
