

Get the Real Deal.

You didn't settle for just any college. Why settle for just any computer?

Get real. Real value. Real versatility. Real velocity. Get a *real* IBM ValuePoint .

Designed and built to the industry standard, the ValuePoint series combines affordability with real power and performance. That includes processors that run up to 33MHz. Whether your ValuePoint does duty as a stand-alone system or as part of a network, It's easy to expand and upgrade with an optional CD ROM and audio card for exciting sound, music and multimedia capabilities. So you get great value, and you get what you really want from a computer.

And every ValuePoint comes with HelpWare , IBM's comprehensive service and support plan. That means around-the-clock telephone assistance, plus a one-year on-site warranty and 30-day money back guarantee.

If you're in the market for a computer, don't settle for a clone. Get something of real value. Get to your IBM campus dealer and get the real deal *today*.
