Brothers David, foreground, and Banti Iteffa look to help lead the Nebraska men's cross country team Saturday at the Woody Greeno/Nebraska Invitational.

## Iteffa brothers share course again

By Tony West  
Staff Reporter

Back in 1990, David and Banti Iteffa had little notion of running side-by-side again.

The two brothers, originally from Addis Ababa, Ethiopia, ran together four years ago at Fremont High School. And once again, they are running on the same team at Nebraska.

Senior captain David Iteffa is the returning 1992 Big Eight cross country champion. Banti Iteffa, who was last year's state champion in both cross country and the 3200-meter run for Lincoln Southeast High School, is a freshman.

David Iteffa likes the feeling of being on the same team again. The brothers will lead the rest of the team in the Woody Greeno/Nebraska Invitational at Pioneers Park on Saturday.

The women are scheduled for a 10 a.m. start and men will follow at about 10:45.

"I'm happy," David said. "It brings back old memories."

Banti Iteffa also is excited about running alongside his brother again.

"Dave helps me out a lot in everything I do," Banti Iteffa said. "(Dave) tells me things I have to do to get better. And having someone who really cares is a comfort to me."

With Banti Iteffa's talent and the help he's receiving from his older brother, he should become a great runner, cross country coach Jay Dirksen said.

"Whenever you're a freshman, you have to prove yourself," Dirksen said. "But, (Banti) just fits in like he's been here forever. He has really adjusted well."

And the older Iteffa, David, has really developed as a leader on the team, Dirksen said.

Banti Iteffa said he hopes to grow to the level his brother has reached.

"Dave's a great runner," Banti Iteffa said. "And hopefully, I can reach the same plateau he has."

Banti Iteffa has taken the first step toward that goal. Although only a true freshman, he'll be among Nebraska's top seven runners this weekend. David Iteffa accomplished that same feat three years ago.

But Banti Iteffa said he's willing to run in his older brother's shadows.

And with the brothers pushing each other, the entire cross country team will benefit, Dirksen said.

"It's always a good situation," Dirksen said. "We have the best attitude on the team that we've had in years."

## Littleton

Despite UCLA losing its opener 27-25 to California, Littleton said he was not disappointed with his play. Last week, Littleton led UCLA defenders with 11 tackles.

"I can't say I was really happy because the team didn't win, but I played pretty well," he said. "We learned in that game that we can't just turn it on in the second half. We have to play hard like every down is our last. We didn't do that against

Cal.

"We just got overexcited and just started making a lot of mistakes. That's where we got hurt."

Littleton, who collected 61 tackles last season, will not have to worry about getting hurt Nebraska Heisman Trophy candidate Calvin Jones. Jones' knee injury will keep him out of Nebraska's offense for the second straight week.

"I wouldn't think it will matter," Littleton said. "They're rated eighth, so I'm sure they'll have someone step in for him."

The Bruin defense's biggest challenge will be shutting down

quarterback Tommie Frazier, Littleton said.

Littleton said he would have added incentive when he matched up against Nebraska wingback — and former Compton, Calif., Carson High School teammate — Abdul Muhammad.

"We have to look at Abdul," Littleton said. "We're good friends and I know what he can do because we went to high school together."

"I will play against a lot of people from our high school in the Pac-10. It makes it a little special. You can talk about it later and hit them a little extra hard during the game."

later in the season before he knows how good the Huskers are.

"We may find out a little bit this weekend," he said. "But it may be the

middle of October before we know just how good we are."

Georgia comes into the Nebraska match with an 8-0 record. The Bulldogs are led by a name that may be familiar to Nebraska fans. Jodi Kruse, the sister of former Nebraska All-American Janet Kruse, is Georgia's

setter.

Louisiana State and Nebraska have met three times, with the Huskers winning all three previous matches.

Pettit said Georgia and Louisiana State would provide the Huskers with probably their toughest tests so far this season.
