GIRL & BOY MEET. FALL IN LOVE, MARRY, AND HAVE CHILDREN

THE JOYS OF SEXUAL MATING WITHOUT REGRETS

94 page booklet \$6.00 Name Street City, State__Zip_ Send to: BLUE SKY PRESS P.O. BOX 80343 LINCOLN, NE 68501

Don't have sex in the dark.

If you're in the dark about things like safer sex and sexually transmitted diseases. you better brighten up.

Did you know that there are over 30 sexually transmitted diseases? Most of them are relatively easy to treat if diagnosed early, but AIDS is a killer! The only sure way to prevent these diseases is abstinence, but that's your choice.

So before you get hurt, get smart. Come to Planned Parenthood. We'll teach you all about safer sex and provide you with testing and treatment of sexually transmitted dis-

Now we know you may be a little nervous about coming in. You'll find we're caring, understanding and sensitive. We'll help you feel comfortable and secure and answer all your questions in plain, straight talk. We're affordable and everything is confidential.

Make the smart choice. Come to Planned Parenthood.

For an appointment, call 476-PLAN

Lillian

Continued from Page 16

previous recordings. It's not surprising that Lillian

Axe has been compared to Queensryche.

With this, their most socially conscious album to date, the boys raise the eyebrows of rock critics everywhere. They cover topics such as suicide on "Now You Know." Blaze asks in the liner notes,

"Why is it that suicidal people are only understood and sympathized with after they cross the line of no return?" Taylor's voice shines on this song, showing how deeply he feels about this subject.

They also acknowledge the state and trendiness of music these days on "Sign of the Times."

"Music should be art and expression, not a fashion trend. Stay true to what you feel and don't become a chameleon, changing your colors just to blend in with what the people around you do," Blaze says in the liner notes.

While Lillian Axe stays away from sappy, radio-happy songs, it does perform a touching, simple ballad entitled "The Day I Met You." With only Taylor's soulful voice and a single guitar, the song may be compared to Extreme's "More Than Words." However, there is no easy, sing-along chorus to go with it.

Lillian Axe is a band to be reckoned with. It is hoped someday the band will be noticed.

—Ann Stack

Foreigner "Foreigner: Classic Hits Live" **Atlantic Records**

Foreigner made its debut in 1977 with two hits ("Feels Like the First Time" and "Cold as Ice") from its self-titled album, which went quadruple platinum. During the next decade, Foreigner displayed remarkable consistency and staying power despite personnel changes in the late 1970s.

"Classic Hits Live" collects all

the monster hits from the early days, with a few later tracks thrown in. Most — "Dirty White Boy," "Double Vision" and "Head Games" — were recorded on the band's fall 1979 tour. Later hits, such as "Waiting for a Girl Like You" and "I Want to Know What Love Is," were done on the 1985

Perhaps the biggest reason to buy this collection is for three songs: "Fool for You Anyway," "Not Fade Away" and "Love Maker." "Classic Hits Live" is an ideal

present for the Foreigner fan in the house or the unrepentant '70s nostalgia buff.

- Sam Kepfield
