University Health Center / GM-Southwest Student Insurance

The Student Insurance program is designed to work together with the University Health Center to help off-set the high cost of medical care. The program is open to both graduate and under graduates. Optional dependant coverage is available at additional premiums.

There are some changes this year in the procedure for enrollment that will be affecting International Students. Immigration laws state that non-resident students must be financially responsible to reside in this country. The UNL policy requires mandatory insurance for International Students. These students are required to show proof of adequate private coverage or be billed automatically. Private policies must be approved and waivers signed by 1/19/94 to avoid being billed on your tuition statement for the Student Insurance.

Coverage dates for International Students Spring/Summer Sessions are 1/10/94 - 8/11/94. No enrollment card needs to be filled out. THE PREMIUM OF \$211.00 WILL BE BILLED ON YOUR SPRING TUITION STATEMENT.

Enrollment is open for US Resident students and ALL dependents until 2/11/94. If you have not enrolled in the Student Insurance program by then, you must wait until Summer Sessions begin. Applications for enrollment of US Residents and all dependents are available at University Health Center or by mail. Payments may be made by check, money order, Visa or Master Card. No cash payments please.

THE STUDENT IS REQUIRED TO COME TO UNIVERSITY HEALTH CENTER WHENEVER POSSIBLE! Sorry, we can only treat students, no dependents please!
