Students Wanted For English Conversation Programs The English conversation program matches U.S. and foreign students possessing a common interest in gaining a greater understanding of each other's culture and language. Once matched, ECP partners independently arrange for weekly meetings of an hour or more to participate in activities or conversation. Tutoring may be a part of the ECP relationship but the format used is relaxed conversation rather than formal instruction. It is an opportunity for you to expand your horizons, enhance your cross-cultural awareness, and to help others. Please come to International Affairs at 1237 to sign up or contact Yenbo Wu at 2-5358 if you have questions.
