Huskers come back with sweep

By Derek Samson
Senior Reporter

The Nebraska softball team committed three errors and allowed Drake to jump out to a 2-0 lead to start off the second game of Wednesday's doubleheader at the NU Softball Complex.

But the 18-26 Huskers rallied to give Coach Rhonda Revelle a nice surprise with a 6-5 victory and a sweep over the 1993 Missouri Valley Champion Bulldogs. The Huskers won the first game 8-3.

"In the first inning, it was a typical bad inning that we seem to have now and then," Revelle said. "But we didn't push the panic button. Many games we've had with those innings, we could never recover. This shows a sign of maturity."

Sophomore shortstop Tobin Echo-Hawk kept the Huskers in striking distance when she answered the Bulldogs' big first inning with a solo home run, her seventh of the season.

Drake, which dropped to 22-13, added another run in the third inning when Kerri Przybylski scored off of Danielle Tyler's single to give the Bulldogs a 3-1 advantage.

Echo-Hawk, who went into the doubleheader batting .439, again came through for the Huskers, sparking a five-run fifth inning that gave the Huskers a 6-3 lead.

Sophomore Sarah Sinclair and freshman Sherry Allcorn both scored on Echo-Hawk's single up the middle, as the Huskers went on to score three more runs before the inning ended.

"This was a real big day for Tobin because the first time we played Drake, she didn't hit very well," Revelle said. "These were good wins for this team because Drake is a good team. These are really credible wins."

Drake gave Nebraska a final scare when Tyler blasted a two-run homer in the seventh to bring the Bulldogs' within one.

But with runners at first and sec-

Jay Calderon/DN
Freshman Melanie Raimondi pitches during the second inning of the Huskers' first win over Drake Wednesday.

ond, Kelly LaMarre grounded out to Husker pitcher Cody Dusenberry to preserve the win.

Dusenberry, who came in relief during the third inning, earned the win, while Allcorn and junior designated hitter Amy Offenbacher combined for six of Nebraska's 11 hits.

Senior Amy Erlenbusch hit two doubles and had four RBIs to lead

Nebraska to its 8-3 victory in the first game. Freshman Melanie Raimondi was credited with the win.

"In the first game, we came from behind, which was great to see," Revelle said. "We've had some trouble when we've been behind the eight ball. Coming from behind will give us some confidence."

Recruit

ing Sallee. But Coach Danny Nee put the finishing touches on the deal.

"Coach Nee came down here when he signed," Young said. "I think after talking to Danny Nee, Chris was really swung to Nebraska. He saw that it offers him a quality education and a great chance to improve as a basketball player."

The Huskers will need to put a little added meat on Sallee next year, Young said, Sallee, who was South Mountain's all-time single-season blocked shots leader, put on 10 pounds

this season, Young said, but he will need to add more bulk.

"That way, he can be a little more effective in the Big Eight," Young said.

Young said Sallee chose Nebraska over Texas-El Paso, Arizona State, Tulane and Southern Methodist University.

After hauling in four high school recruits last fall, Nebraska, which has only two returning players taller than 6-7, had been shut out in the spring period.

Sallee's presence gives the Huskers, who still have two available scholarships, five new players taller than 6-7.

Stai

to be exceptional players, and the others are not far off."

Stai, Wiegert, Zatechka and Aaron Graham all return after starting last season.

Joel Wilks will join Zatechka on the left side of the line, while Graham, the only non-senior on the line, will play center.

"Our line will be stronger this year because we're working together better than last year and we're constantly helping each other," Stai said.

We Want YOU to join the fun

We'll even pay you for it

The Residence Halls at UNL have always been the fun way to live right in the center of campus life and now we'll pay you for it.

There are three ways to make money when you decide to live in the halls next year:

- **THE RECRUITING BONUS:** All current residence hall students are eligible to receive a \$100.00 bonus for each current off-campus student that they recruit to live in the residence halls next year. You can build your own community of friends on your residence floor and get paid for it.

- **THE RETURNING STUDENT DISCOUNT:** Each current hall resident who chooses to return and each 'recruited' student will have \$150.00 or \$230.00 deducted from their housing bill.

- **THE RECRUITING CONTEST:** There will be prize given to the top three students who recruit the most off-campus students to live in the halls:

Grand Prize (min. of 5 students recruited): FREE ROOM AND BOARD contract for the year. (Valued at \$3,145.00)

First Prize (min. of 3 students recruited): \$1,000

off the cost of your room and board contract.
Second Prize (min. of 2 students recruited): \$500 off the cost of your room and board contract.

Now there are even more reasons to live on campus in the UNL residence halls. Convenience, the "upper-class" housing and added benefits of Cather hall, and the endless opportunities to make new friends and enjoy college more... all of it is here for you at a price far cheaper than off-campus living.

You Can't Afford to Miss Out
