

AMERICORPS

COMING SOON TO COMMUNITIES EVERYWHERE

AmeriCorps is the new domestic Peace Corps where thousands of young people will soon be getting things done through service in exchange for help in financing their higher education or repaying their student loans.

Starting this fall, thousands of AmeriCorps members will fan out across the nation to meet the needs of communities everywhere. And the kinds of things they will help get done can truly change America—things like immunizing our infants...tutoring our teenagers... keeping our schools safe... restoring our natural resources ...and securing more independent lives for our ill and our elderly.
