Presidential chuckle:

President Bill Clinton congratulates three Nebraska co-captains during a March 13 visit to the White House. A 24-17 Orange Bowl win over Miami gave the Cornhusker's their first national championship since 1971.

SWEET VICTORY

National championship hurrah:

Tom Sieler, a senior place kicker, whoops it up after Nebraska's Orange Bowl win over Miami. Back home, the city of Lincoln and the state of Nebraska went crazy Jan. 1 after Nebraska's first championship in 23 years.

**"Congratulations Seniors!
We'll miss you!"**
