 Open Mon.-Fri., 8-6 • Sat. 8-4

GM SOUTHWEST STUDENT INSURANCE

UNL is always striving to find a health plan to suit the needs of our students. Once again, we are working with GM Southwest of Dallas, TX to provide such a plan.

If you are not covered by your parent's medical insurance or do not have any other private insurance, this may be the option you're looking for. This program is open to graduate and under-graduates.

Students are required to seek their initial treatment at UNL Health Center, but referrals may be arranged for outside treatment if necessary, or in emergency situations. Dependent coverage is also available at additional premiums; however, dependents cannot be seen at the UNL Health Center.

Annual premium for non-international students for the basic policy is \$399.00. Coverage begins 8/22/95.

INTERNATIONAL STUDENTS: Immigration regulations state that international students must show proof of financial responsibility to reside in this country. UNL requires mandatory insurance coverage to comply with these regulations. International students are required to show proof of adequate insurance or they will be billed for the UNL student insurance on their tuition statements. The premium of \$207.00 per semester will be added to the tuition bills unless a waiver is obtained from the Student Insurance Coordinator at UNL Health Center. Coverage for International Students begins 8/11/95.

Informational brochures and enrollment applications will be available the last week in July. You may obtain brochures at the UNL Health Center, International Affairs Office, or by mail. There is also a 24-hour information line at 472-7437.

Welcome to UNL and have a safe year!
