 Holiday Guide

**Page 4**

• Through special gift-giving programs, three local businesses aim to make the holidays a little brighter for children in need.

**Page 5**

• Christmas lasts all year at two local specialty shops.

**Pages 6-7**

• Putting up her holiday display of more than 14,000 lights and other decorations isn't easy, but for 19 years, Ann Day has happily put up the display as a gift to the community.

**Page 8**

• Toys at Christmas are always big business, but this year, local retailers say your guess at what's the most popular is as good as theirs.

**Page 9**

• For one special group of men, the arrival of the holidays can mean only one thing — donning the red suit and white beard and setting up shop at the places you shop.

**Page 10**

• Never did like fruitcake at Christmas? How about one of these traditional cakes?

**Page 11**

• Two roommates offer a home to "Steve," their new Christmas tree.

**ATTENTION : STUDENTS, STAFF, & FACULTY**

The Osteoporosis Research Center at Creighton University is conducting a study to measure the effects of various doses of vitamin D in men.

**Qualifications include:**

- \* a healthy male, age 25 thru 35.
- \* available for 2 test dates sometime during Jan., Feb., or March. Each test date will include an early morning visit to our department and another visit during the noon hour.
- \* willing to take a daily dose of vitamin D (You will be assigned by chance to one of three doses.)
- \* generally drink one pint (16 oz.) or less of milk/day. (One carton = 8 oz.).
- \* willing to limit alcohol intake for 5 days before each test date.

**You will be paid a stipend of \$100 for completion of the study.**

For more information and/or a brief interview (without commitment at this time), call Susan Dowell, R.N., Ph.D. at 280-4647. If you get the answering machine, leave your name and number; your call will be returned within 48 hours. Thank you very much.
