

STRAIGHT TALK ABOUT SEX.

**That's why there's
Planned Parenthood.**

Am I ready for sex? Maybe I am...but maybe I'm not -- it's all sort of confusing. I need some straight talk about some major decisions.

My older sister said I should go to Planned Parenthood. She said the people at Planned Parenthood really listen to you, and they give you straight answers to your questions.

Not the same old lectures. She said they'd give me the facts I need -- about birth control, safer sex, and sexually transmitted infections -- so I can make my own choices.

Everything's private and confidential. And the fees are low, so I can afford it.

So I'm going to Planned Parenthood. Because if you're thinking about having sex, you don't need the same old line -- you need some straight talk.
