SAFE YOUR LIFE

National Condom Week February 14-21

The Peer Sexuality Educators will kick-off National Condom Week by sponsoring booths at the University Health Center's To Your Health Fairs from 11-1 p.m. on Feb. 14 at the NE Union Lounge & Feb. 15 at the East Union. Participate in activities or pick-up free information!

- * Pick-up a "Safe Your Life" Lifesaver!
- * Win a T-shirt for guessing the right # of condoms in the condom jar!
- * Test your condom sense by playing Sex Trivia!

Sponsored by: **PERSUNL** (Peers Encouraging Responsible Sexuality at UNL)

The goal of National Condom Week is to reduce the incidence of unintended pregnancy and sexually transmitted disease, including HIV infection, by increasing the proportion of sexually active adults who use condoms correctly and consistently.

It is the policy of the University of Nebraska-Lincoln not to discriminate on the basis of sex, age, handicap, race, color, religion, marital status, veteran's status, national or ethnic origin, or sexual orientation.
