# Memorial scholarship honors student

From Staff Reports

The family of a Lincoln high school senior who died in 1967 has established a memorial scholarship in his name.

It's been 29 years since Kent Augustin, a 17-year-old senior from Lincoln Southeast High School,

died following surgery.

Augustin was an A student and a member of the track and cross country teams at his high school.

Augustin was planning to attend UNL on a Regents scholarship before his death.

The recipient of the first scholarship is much like Augustin him-

self. Matthew Firestone, who graduated from Lincoln Southeast in May with a 3.7 GPA, participated in track for three years and was elected captain of the team.

The annual scholarship provides \$500 to a Lincoln Southeast student who is planning to attend UNL. The scholarship's funds are directed by the University Foundation.
