**Edge sparks deep hatred**

EDGE from page 9

Kurt Cobain did not write the cavernous, haunting guitar intro to "Come As You Are" so The Edge could make a few more bucks, and Billy Corgan did not write the carpe diem ditty, "Today" to convince listeners that The Edge is his choice for rock 'n' roll. This comment by The Edge absolutely berates and derides all integrity and ideals of the great rock figure heads of our day.

This radio station operates only as an exercise in corporate greed and callousness, and every time we tune in, we join its ranks.
