Employment Opportunities

Representatives from the Nebraska Department of Roads invite you to stop at our table at the Engineering and Technology Career Fair on February 6 from 9:30 a.m. to 3 p.m.

We also will participate on March 12 in the UNL Mock Interviews Day from 1-4 p.m. and the Minority Professional Job Fair from 5-7:30 p.m.

We are the state agency responsible for the planning, design, construction, maintenance and administration of Nebraska's highway system. We employ more than 2,200 people across the state.

Our entry level positions offer excellent benefits and possible relocation assistance. We also provide student work-study programs. Entry level positions include:

- * Data Processing - (Business & Engineering Applications)
- * Engineering

Stop by the Department of Roads booth for information.

Engineering and Technology

Engineering & Technology Career Fair '97

Thursday, February 6, 1997
9:30 A.M. to 3 P.M.

University of Nebraska-Lincoln
Centennial Room, Nebraska Union

60 companies from across the nation will be talking with Engineering & Technology as well as Computer Science students and alums. Some companies may also be interested in students and alums from chemistry, physics, biology and math majors.

ENGINEERING OPPORTUNITIES AVAILABLE AT VALMONT

Come check us out at the Career Fair on Thursday, February 6th. We are looking for Engineers (Agricultural, Civil/Structural, Computer Science, Construction Management, Electrical/Electronic, Manufacturing or Mechanical) with a desire to work for a fast growing, fast moving company. Valmont Industries, Inc. is a global leader in designing and manufacturing mechanized agricultural irrigation systems, and steel structures for lighting, traffic, communications and electrical transmission applications. We offer a wide-range of engineering opportunities within our varied product lines at Valley and our other sites. Don't miss this opportunity to meet and talk first hand to Valmont representatives from the various Engineering Departments. Stop by our table at

the Career Fair and learn more about us.

Valmont Industries, Inc. is an equal opportunity employer and we take affirmative action in our recruitment of Women, Minorities, Disabled and Veterans.

Visit our Web Site @ www.valmont.com

If you've been taught that the corporate world is cold and heartless, get ready for an education.

Visit us at the Engineering & Technology Career Fair.

Thursday, February 6th
9:30 a.m. - 3:00 p.m.
Centennial Room of the Nebraska Union

In the 20 years of our existence, J.D. Edwards® has become one of the world's largest software companies while enjoying an average annual revenue growth rate of 53%. With that kind of incredible growth, you might think our people have been left behind. The truth is, there's only one agenda at J.D. Edwards—quality and excellence in everything we do. It's an agenda that requires total dedication from all of our people. It also requires an environment in which our people are treated with complete respect, and given an unequalled opportunity to succeed. The result is that the world of J.D. Edwards is a world where you can go as far as your ambitions and talent will allow.

We are seeking technical and non-technical graduates with GPAs of 3.0 or greater. We look for people whose attitude, accomplishments and problem-solving skills indicate a strong potential for success. Leadership, teamwork, flexibility and the desire to work with customers are also key indicators. Specific technical skills may include C and C++, as well as other programming languages.

If you're graduating with a Bachelor's or Master's degree in Computer Science, Information Systems, or Engineering (Software Development), we would like to talk to you. If you are unable to see us at the Engineering & Technology Career Fair, contact: J.D. Edwards, Attn: College Relations Dept. DN, 8055 E. Tufts Avenue, Ste. 1200, Denver, CO 80237. Fax (303) 488-4565. We also invite you to check us out on the Internet at www.jdedwards.com
