HIP HOP/JAZZ

ERYKAH BADU

Baduizm

\$11.88 CD

Best described as an old soul with a hypnotic flow, Erykah Badu's voice is capable of stirring the deepest emotions and setting small fires. *Baduizm* truly showcases the young songstress' deep sense of spirituality and crystal-clear outlook of the world.

"TRIP HOP"

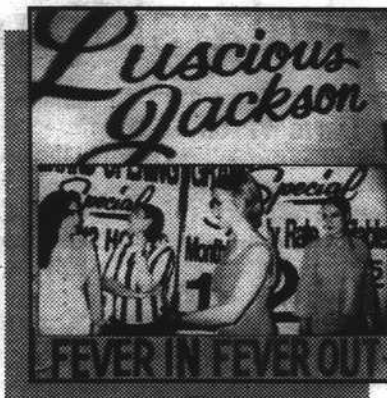

DJ SHADOW

Endtroducing

\$11.88 CD

Josh Davis, aka DJ Shadow, is the man responsible for creating "the blueprint" for the MoWax sound. When his first Mo Wax single was released, the industry was hard-pressed for a category to put him in so "trip-hop" was invented to describe his sound.

URBAN/ALTERNATIVE

LUSCIOUS JACKSON

Fever In Fever Out

\$11.88 CD

This band has been building a very strong foundation of fans since their debut, "In Search of Manny." Sales of over 250,000 copies of "Natural Ingredients," and many TV appearances have set the stage for success. "Fever In Fever Out" is the next step in a career destined to be great.

ALTERNATIVE

JANE JENSEN

Comic Book Whore

\$9.88 CD

Jensen's songs range from surrealistic inner monologues to coquettish tunes of love lost and desired. She covers the gamut of emotions — from the whimsical "Clumsy" to notions of escapism in "Blank Sugar."

ALTERNATIVE

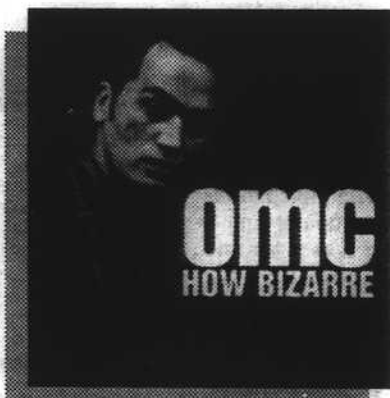

SILVERCHAIR

Freak Show

\$11.88 CD

Silverchair has played for sold-out audiences from Atlanta's Roxy to Madison Square Garden. They were guest performers on one of the highest-rated, most-watched "Saturday Night Live" shows in 1995... They're also winners of a Rolling Stone readers' poll.
