

# The hottest new music

METAL

**ROLLINS BAND**  
*Come In And Burn*  
**\$11.88 CD**

In September of 1996, we started preproduction with Steve Thompson. In October we went to the studio and tracked 19 songs in a couple of weeks. The outcome of all this work is a record called Come In And Burn.

POST AMBIENT POP

**STEPHEN SHEEHAN**  
*Eyes Of The Wilderness*  
**\$11.88 CD**

Remastered 1990 solo release of atmospheric rock with european influence by digital sex vocalist Stephen Sheehan. Dynamic, passionate and beautiful, this 1997 version includes 25 extra minutes of accessible Ambient pop. A GEM!

ALTERNATIVE/TECHNO POP

**CHEMICAL BROTHERS**  
*Dig Your Own Hole*  
**\$11.88 CD**

Dig Your Own Hole, the follow-up to the massive Exit Planet Dust is the next chapter in The Chemical Brothers' quest for World Sonic Domination, and features the Mtv Buzz clip "Setting Sun." Dig Your Own Hole features 11 new tracks, including a never-before released mix of "Get Up On It Like This."

ROCK/METAL

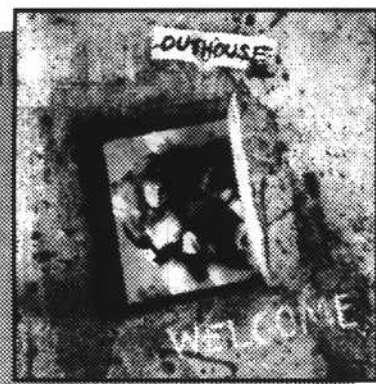

**GWAR**  
*Carnival Of Chaos*  
**\$11.88 CD**

Carnival of Chaos is the latest bit of naughtiness from those inter-galactic crack pots, Gwar. On their sixth full-length recording the members of Gwar have decided to let it all hang out and just jam.

IN CONCERT • Thurs 4.17.97 @ Ranch Bowl

ALTERNATIVE

**OUTHOUSE**  
*Welcome*  
**\$11.88 CD**

Outhouse played their first shows, just a few weeks after forming, to some excited crowds and began building a Kansas City Following. Since then, the band has been playing shows across the country spreading their base to other cities including St. Louis, Memphis, New York and Toronto.

AMBIENT POP

**PAUL HASLINGER**  
*World Without Rules*  
**\$11.88 CD**

World Without Rules takes on the new era of trans-global, polyrhythmic, multi-sampled pop music with energy, passion, and intelligence. Richly textured, with authentic instruments and voices from around the world and dynamics from crushingly intense to ethereal.

SOUL/POP

**RAHSAAN PATTERSON**  
*Rahsaan Patterson*  
**\$9.88 CD**

On his self-titled debut album, Rahsaan delivers a melange of melodies reminiscent of great works like Stevie Wonder, Donny Hathaway, Sly Stone, and contemporaries such as Tevin Campbell. Still, the music - characterized by smooth vocals, meaningful lyrics and soulful delivery.

ROOTS ROCK

**SON VOLT**  
*Straightaways*  
**\$11.88 CD**

Son Volt returns with Straightaways, the band's much-awaited second album. With Jay Farrar's extraordinary new songs continuing to draw from the same lonesome wellspring of torn-and-frayed rustic Americana that he's been tapping since his days in Uncle Tupelo.
