Daily Nebraskan

Summer Edition

Campus briefs

A sampling of every piece of news you'll need to know what's going on at UNL, well ... almost. Page 3

More than just numbers

Samuel L. Jackson turns in a passable performance as a close-to-the-edge high school teacher in the urban drama '187.' Page 4

Not-so-friendly skies

Gary Oldman stars as a terrorist who makes his point by hijacking the President and the plane he rode in on in the action-thriller "Air Force One." Page 4

Sports briefs

Just because they aren't actually playing yet, that doesn't mean Nebraska's teams are keeping still. How 'bout some news? Page 5

Hot-hot-hot

High temperatures thinned out the crowds for this year's July Jamm, but the festival was still a success. A story in pictures. Page 5

The 4-1-1 on 311

Former Omaha band 311 made news on the national level with its last album. And now they're back to prove that their success wasn't a fluke with their new album, "Transistor." Page 6
