"Little" because we won't be on campus for long. But the career opportunities are huge. Just think. Working for a national company. Designing and marketing top-of-line doors and windows that are known the world over. Learning from experts. With room to move up.

Pella Corporation representatives will be on campus Thursday, October 23, for Business & Engineering interviews. For more information and to sign up, contact the Career Services Center. Or call our jobline, 515-621-6770.
