Come Play For The First Team

As an undisputed leader in the information processing industry, First Data Card Services could provide the challenge you've been looking for. As the largest division of First Data Corp., a \$4 billion company providing information processing and related services to diverse industries, we're growing steadily. Consider joining us as one of the following in our Omaha office:

Analyst/Statistician
To complete analytical projects by implementing programs and procedures in addition to documenting the results of projects for presentation to internal and external clients. Required is a Master's in Statistics or 3+ years analytical experience; comprehensive knowledge of SAS/ST and the DATA step. This position is also available in Houston, Texas.

Senior Statistician
To use advanced programming skills to ensure the statistical integrity of scorecard development projects. Must project manage from a technical level. Needed is a Ph.D. in Statistics or 5+ years applied analytical experience; comprehensive knowledge of SAS statistical procedures and multivariate statistics.

Along with the opportunity to explore your potential in a dynamic environment, we provide a competitive compensation and benefits package including life/medical/dental insurance, 401(K), stock purchase plans, relocation assistance and more. For consolidation, please reply to:
