Registration for all UNL Summer Sessions begins
March 9, 1998

There's no place like Nebraska in the summer!

Rap artist's violent lyrics violate parole, police say

SACRAMENTO, Calif. (AP) — A rap artist convicted on firearms charges in a 1994 shooting is back in jail because authorities say anti-police lyrics on his latest album violate conditions of his parole.

Shawn Thomas, who records under the name C-Bo, was arrested Tuesday and held without bail while the state Board of Prison Terms considers the case. Punishment ranges from admonishment to a year in jail.

He is charged with threatening public officials, promoting violence against public officials, promoting a gang lifestyle, criminal behavior and violence against law enforcement.

In the song "Deadly Game" from the record "Til My Casket Drops" — due out next week from AWOL Records —

Thomas raps: "When they try to pull you over, shoot 'em in the face, y'all!"

Other lyrics threaten the Sacramento County district attorney, the Sacramento sheriff, a police officer and a county probation officer, state Department of Corrections spokesman Tip Kendall said.

Thomas was convicted of illegal use of a firearm in a gang shooting that led to one man's death. He was paroled once, arrested on a violation, reincarcerated, then paroled again last year on condition he do nothing to promote a gang lifestyle.

Thomas' attorney, John Duree, said the new arrest violates Thomas' right to free speech. But Kendall said Thomas' criminal past excludes him from First Amendment protection.

Music

ARTIST from page 9

But one of the best things about outtakes and rarities compilations is the presence of out-of-the-ordinary material. On "Crystal Ball," that presence is best represented by "The Ride," a song that is as full of the blues as anything Muddy Waters ever touched, and "Cloreen Bacon Skin," an entirely improvised recording made by The Artist and Morris Day during the recording of The Time's "What Time Is It?" "The Truth," The Artist's first-

ever acoustic recording, stands along with these tracks as a testament not only to The Artist's creativity, but to his willingness to experiment with his music, no matter the result.

Overall, "Crystal Ball" is a worthwhile look at The Artist's career to this point, and a glimpse into his future. And after listening to this album, one is bound to hope it stays as bright as it has been for many years to come.

— Jeff Randall
