- men and women
- 19 to 50 years old
- smokers and nonsmokers
- availability: three weekend stays

ASSIST MEDICAL RESEARCH

Before any consumer product or pharmaceutical can be marketed, it must be thoroughly tested for safety and effectiveness. We've been conducting clinical testing at MDS Harris since 1969. In that time, we've become one of the largest and most respected independent testing laboratories in the world.

HARRIS TESTING PAYS

Participating in a research study at MDS Harris is an easy way to earn extra money—up to \$100 a day! All you have to do is have the time to participate and meet the study's health requirements. We have studies to fit anyone's schedule; weekend, weekday, short-visit, and long-term studies are regularly available. You'll even receive a free physical exam before each study.

RELAX AWHILE

Because testing requires a controlled environment, some studies involve overnight stays at an MDS Harris research center. Our research center is like a modern college dormitory with recreation areas, TV rooms with VCRs, lounge areas, and more. So when you're not needed, you're free to relax.
