CSHI AmeriCorps Members work both individually and as teams within Lincoln's public elementary schools to provide tutoring, mentoring and family outreach; to assist in the creation and implementation of academically-enriched afterschool and summer programming; and serve as community leaders in developing programming and partnerships designed to enhance the quality of life available to all.

The Comprehensive School Health Initiative is a collaborative program of the Lincoln Public Schools, the Lincoln Public Schools Foundation, and the Lincoln-Lancaster County Health Department. CSHI is funded both locally and nationally by the Public Education Network, the U.S. Centers for Disease Control & Prevention, and the Corporation for National Service. In addition to an excellent training package and the opportunity to make a real impact in the lives of children, AmeriCorps Members also receive the benefits listed below:

Full-time: A living allowance of \$9,340 in exchange for 1700 hours of community service to be completed in a 12-month time period. Other benefits include paid health insurance, child care assistance for qualified applicants, deferment of government-guaranteed student loans, and an educational award of \$4,725.

Part-time: A living allowance of \$4,415 in exchange for 800 hours of community service to be completed in a 9-12 month time period, deferment of government-guaranteed student loans, and an educational award of \$2,208.

Desired qualifications include a Bachelor's degree or 1-3 years of related volunteer or job experience, a commitment and desire to work with children and their families, excellent communication and interpersonal skills, and the ability to work both individually and as a team as community problem-solvers. Necessary special requirements include a valid Nebraska driver's license and a good driving record, dependable transportation, and the ability to occasionally work evenings and weekends.

AmeriCorps is a program of the Corporation for National Service, a public-private partnership whose mission is to engage Americans of all ages and backgrounds in community-based service. Applications are available in the Health Promotion and Outreach Division of the Lincoln-Lancaster County Health Department, 3140 N Street, Lincoln, NE 68510.
