Suffering from Voter Apathy...?

Get Over It!

The November 3 election could put an end to your college days!

There's a constitutional amendment on the November ballot that could make it impossible for you to continue your college education. You've got to get out and vote against Measure 413.

Chuck Hassebrook, NU Regent (10/1/98) "Let there be no doubt: a vote for Measure 413 is a vote for higher college tuition. And a vote for Measure 413 is a vote to raise the barriers to higher education for Nebraska families of modest means."

L. Dennis Smith, NU President (10/6/98) says that under 413, the university will face a \$20 million cut in the 1999-2000 budget and a \$300 million shortfall by the year 2015. "We quickly have to make a decision about closing down major programs or raising tuition quite substantially."

Nothing to write home about...?

Think again! If you don't write home and tell your friends and family to get out and vote against Measure 413 — you might find yourself spending a lot more time with them next year!

Measure 413 supporters want to raise your tuition. They think you're too lazy to vote. Show them you care!

Not registered to vote...? Won't be in town...?

No Excuses! Use these forms to register or to get an absentee ballot.
