Your Future Starts Here

If you are just finishing a degree and have an interest in pursuing a career in information technology we would like to help you explore your options. Unident is the nation's fastest growing dental software company and is seeking highly-motivated service associates and technical resources. If you have a background in computers, we have positions for technical support associates and system engineers. Experience with Pascal, C languages and/or data conversions preferred. If your educational program is in another area of study but you have a knack for computers and customer service, we will train you as a technical service associate. We offer full time positions in a state-of-the-art multi-platform work environment with competitive salary benefits plan, including 401k. We will also consider getting you started before you graduate with our part-time training program. If you are interested in launching your career by joining our fast-paced team-oriented organization, send us your resume and salary requirements for consideration. Unident Technical Services, P.O. Box 80065, Lincoln, NE 68508.
