Child Development Specialist

Child Development Specialist
(III Care Program)

This positions assumes primary care for children in the mildly ill child care program ranging from infants to school age. Primary includes preparing for activities, monitoring and recording health conditions throughout the day and maintaining a safe and orderly environment. It also involves providing appropriate communication to parents and support staff, and attending staff meetings and developmental programs as required. Requirements of the position include knowledge of developmentally appropriate activities and an understanding of the stages of development and basic child care practices normally acquired through college course work and/or work experience. Bachelor's degree or Associates degree in Early Childhood or Elementary Education preferred. Must be 19 years of age or older.

Part-Time Days, 25+ hours/week Please submit resume/application or call:
BryanLGH Medical Center East
1000 South 48th Street
Lincoln, NE 88506
