**Intern-Training & Development
Aliant Communications**

Aliant Communications has a unique position in the Training and Development department. This job is ideal for candidates who have advanced computer/web development skills, a flair for writing and an interest in organizational development. Hours are flexible, depending on student's school schedule. A minimum of 15-20 hours a week is required between the hours of 7:30am-5pm, Monday-Friday for approximately 6 months. Hourly wage approximately \$7/hour. Duties may include the following:

- Research employee development and training trends
- Write management recommendations for website development.
- Enter data and maintain databases
- Write training and development website content

The Training and Development Team is looking for a serious candidate that is interested in developing their skills and knowledge in the field of continuing education. Applicants must have strong written communications skills. The ability to adapt to changing situations and learning skills is also very important. Strongly prefer candidates with Junior or Senior standing in the fields of Computer Technology or Journalism.

This is a great opportunity to gain website development and written communication experience with one of Lincoln's major employers. If you are interested, please send or email your resume by February 1, 1999 to:
