

# Preview Our Emerging Artists

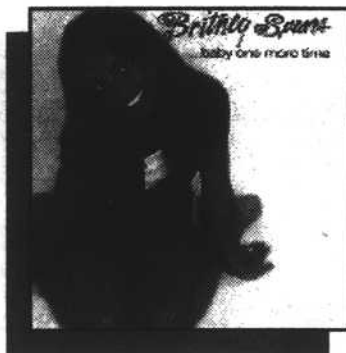

R & B

**TYRESE**  
Tyrese  
**\$12.88 CD**

Tyrese comes bubbling onto the music scene equipped with stunning good looks and a killer voice. Having grown up in South Central Los Angeles, and encountering tremendous obstacles, his perseverance keeps him on the right track. This album glows with stellar tracks which brilliantly showcase Tyrese's strong, mature-beyond-his-years vocals.

POP

**BRITNEY SPEARS**  
Baby One More Time  
**\$12.88 CD**

Untamed and untarnished as they come, the bright, beautiful teen Britney Spears is poised to liven up the pop world with the irresistible collection of songs on her debut release. She is ready to make her own special mark on the world; "I want to be an artist that everyone can relate to, that's young, happy and fun."

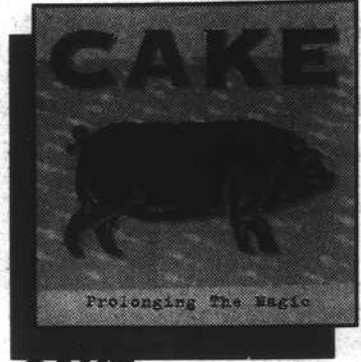

CONTEMPORARY FOLK

**MICHAEL CAMPBELL**  
Used Without Permission  
**\$11.98 CD**

Singer/songwriter Michael Campbell's latest collection is hard to pigeonhole - soft guitar ballads follow playful rock 'n' roll, a multi-tempoed jazz-spiced tune seems at home next to a satire of love in the e-mail age. But it's simple, really: if you appreciate meaningful, structured lyrics and crystalline acoustic guitar, you want this CD.

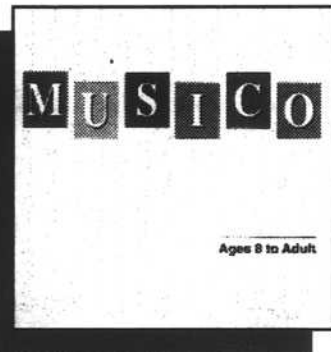

MODERN ROCK

**CAKE**  
Prolonging the Magic  
**\$12.88 CD**

The group's new opus delivers 13 songs in the grand CAKE tradition: rife with vocal harmonies, heavy on wry humor and fueled by the bands' signature sound - guitars, trumpets and lean grooves. Featuring the debut single "Never There," which typifies the album's stern charisma.

MODERN ROCK

**MUSICO**  
Ages 8 to Adult  
**\$9.98 CD**

Musico has sprung onto the Omaha scene with a \*@#!-eating rock 'n' roll grin. Their debut EP captures the band's offbeat sense of popmusic. The songs have the smarts of The Police, the sass of The Smiths, and Beatlesque arrangements, this is an ambitious record by an ambitious band. You'll know who these guys are soon enough.

MODERN ROCK

**FIVE STORY FALL**  
Look and See  
**\$8.98 CD**

The long awaited CD from one of Omaha's best rock bands is chock full of strong melodies, thick rock and an inviting groove. You must have this one for your collection!

ROCK/POP

**NINA STOREY**  
Shades  
**\$14.98 CD**

Nina gives it soft, low, gritty and bluesy, sounding a titch like Joan Osbourne. Her newest album is as promising as her previous ones.

Also Available:  
Bootleg \$14.98  
Guilt and Honey \$14.98

JAZZY/JUMP/BLUES

**BIG RUDE JAKE**  
Big Rude Jake  
**\$12.88 CD**

Big Rude Jake is above all a man in control. JAKE started out playing a brand of jazzy-jump-blues and cabaret-inspired tunes long before anyone heard of the new "Swing" movement. The self-titled new album has rock-a-billy tracks as well as a sweet Ray Charles-ish ballad, giving his audience a well-rounded record. Available 2.23.99

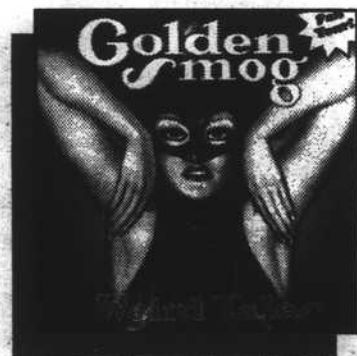

HARD ROCK

**GODSMACK**  
Godsmack  
**\$9.88 CD**

With a sound that's been described as "Alice in Chains meets Helmet," Godsmack will undoubtedly bring the newly resurgent hard music scene back into the forefront.

ROOTSY ROCK

**GOLDEN SMOG**  
Weird Tales  
**\$12.88 CD**

The third album showcases the band's formidable individual and collective talents with haunting songs, stomping rockers and plaintive laments are draped in rich harmonies to hypnotic effect. From the soaring melodies of "Until You Came Along," and the otherworldly "Jennifer Save Me," to the melancholy of "Please Tell My Brother" and the sweet power pop of "Reflections on Me."

IN CONCERT
