SIXPENCE NONE THE RICHER
Sixpence None The Richer

\$12.88 CD

"Kiss Me," the album's first single, is a striking pop gem which celebrates the whimsical spirit of romance. Leigh's disarming voice floats over Matt's articulate, emotive guitar arrangements, ascending and descending like an uncertain angel. Suddenly, you realize you've already listened to the third song on the album, unaware that the first two had ever ended. It's okay. Relax. That's how it's meant to be.

NEW AMERICAN SHAME
New American Shame

\$11.88 CD

From the Pacific Northwest come the 100% pure hard rock of new American Shame. On their eponymous debut they take the metallic KO of such inspirations as AC/DC, classic killer Queen, and the first four Van Halen LPs and filter it through an extreme modern sensibility. The result? Some of the most full-on, in-yer-face power rock 'n' roll in eons.

TRAUMA RECORDS

EPIC

GORDON
Gordon

\$12.88 CD

The music that surrounds the faultless vocals make clear Gordon's benign intent: the band's sound is upbeat, brilliantly textured - a neo-psychedelic wall-of-sound. What counts is the music. And that, undeniably, is some of the smartest and most uplifting pop around. In captivating themselves, the musicians of GORDON have made a good start at captivating the world.

EPIC

AMANDA MARSHALL
Tuesday's Child

\$13.88 CD

Amanda toured relentlessly in support of her self-titled debut album and in the process gathered much of the raw material for her follow-up album. She co-wrote the songs with such stellar songwriting partners as Carole King, Eric Bazilian and Mark Hudson. Amanda's music has been featured on the soundtracks for TIN CUP and MY BEST FRIEND'S WEDDING.

WORK

PROTEIN
Songs About Cowgirls

\$12.88 CD

On their sophomore album, the San Francisco trio make no bones about their love for thundering guitars. With a cleaner, fuller-sounding, and altogether more monstrous piece of work; singer and guitarist Josh Zee recalls, "We were just going to do this record like we did the last one, basically guitar, bass and drums." But they decided to put organ, a banjo and trumpet on the tracks and it sounds really amazing.

EPIC

MACY GRAY
On How Life Is

\$12.88 CD

The voice of Macy Gray is a wondrous thing. It can be as intimate as the wee hours or as exciting as a packed nightclub; disarmingly sweet or harsh and raspy. The obvious comparison is Billie Holiday, but there are traces of others both legendary and little-known: Abbey Lincoln, Nina Simone, Tina Turner. Yet, in the end Macy sings like no one but herself. *Available 7.27.99

COLUMBIA

Featuring the pop ultra-smash "I Do," and a heartfelt version of the Cyndi Lauper hit "Time After Time," among others.
