Huskers start slow, win big

HUSKERS from page 10

Saturday against California. Crouch finished with 160 yards of total offense, (92 on the ground and 68 in the air) and Newcombe had 163 yards (35 rushing and 128 passing).

"Both played really well," Solich said. "I expected that would be the case. We have two outstanding quarterbacks. They both will be used."

Along with Newcombe's offensive statistics, he also was credited with two fumbles and one interception. But Solich said the turnovers weren't the only things to consider when selecting a starter.

"We will take a look at the film," Solich said. "No one lost their starting job from what I saw on the sideline. We will let you know when we make a quarterback or I-back or, for that matter, any position change."

For now, Newcombe has retained his starting job, but he did leave the door open for criticism with his play early on.

Newcombe failed to convert on fourth-and-one, fumbled once and threw one interception in the first half. He entered the locker room at halftime with 15 yards rushing on nine carries and 44 yards through the air.

"We made too many mental mistakes, errors here and there," Newcombe said. "Myself, Willie (Miller) and DeAngelo (Evans) all had been injured for a while and expected to come out here and play really, really well. We put a lot of pressure on ourselves to come out today and set the world on fire."

Newcombe said having Crouch come into the game and score a touchdown actually relaxed him.

Crouch first entered the game as a quarterback with nine minutes, 29 seconds remaining in the second quarter and the score tied 0-0. The 6-1, 195-pound Crouch made his first appearance as a blocking split end in the first quarter.

Once he did get under center, it took Crouch just four plays to get NU into the end zone. Crouch scored the touchdown on a 28-yard option run in which he faked out an Iowa defender.

Senior tackle Adam Julch said the touchdown was the jump-start NU was looking for.

"It was nice," said Julch, one of four

Husker captains. "I was waiting for that to happen. That first touchdown mentally helps you out a lot."

Julch said Crouch was "very intense" when he first came in, like "he wanted to show people what he could do." Crouch didn't play at all the third quarter, but he came in to lead two fourth-quarter scoring drives.

The most impressive run of the day, though, came as Crouch did his best Scott Frost impersonation by running over an Iowa defensive back on the 7-yard line en route to a 21-yard touchdown.

While Crouch seemed solid the entire game, Newcombe was just as solid in the second half.

Newcombe settled down and led NU to touchdowns on its first three series to start the third quarter. He hit Sean Applegate on a 47-yard pass for the first touchdown. After an Iowa State fumble, Newcombe capped off a three-play 29-yard drive with a one-yard touchdown. Then NU put together a long, drawn-out drive to make it 28-0. Newcombe capped off the 12-play 68-yard drive with a five-yard TD run.

While the offense took some time to get rolling, the defense seemed ready from the start.

It wasn't until the sixth Hawkeye drive of the first half that NU's defense surrendered a first down. For the first half, Iowa's offensive totals numbered 65 yards and four first downs, one by way of a face-mask penalty.

But the Blackshirts responded to those first downs several times by creating turnovers.

"You just have to step up and be ready to (play tough) in those situations," said Jackson, who also had an interception. "Whenever it is close, and we know we have to buckle down, it gets our defense pumped up and ready to play."

For the game, NU held the Hawkeyes to 169 yards of total offense and eight first downs. The deepest penetration the Iowa offense made was to the Husker 33-yard line. The NU defense wasn't on the field for the lone Hawkeye touchdown, and it frustrated Solich to lose the shutout on a blocked punt return by Tim Dodge — especially after the way his defense had dominated.

"I thought defensively, we played good ball," Solich said. "I feel a little badly for them because they played

UI offense struggles in opener

IOWA from page 11

"The defensive guys played extremely hard and with a lot of fight," Ferentz said. "When you're on the field so much, something's got to give. Something's got to break."

Crammed into a corner near the locker room with sweat beading down his face, Kampman — with one ice bag strapped to his arm and carrying another in his hand — spoke in a raspy voice tempered from a day of torture in the 92-degree heat. The sophomore, who recorded a team-high seven tackles, refused to blame the sputtering offense for the Iowa loss.

"I've seen the offense. We practice against them. They can move the ball," Kampman said. "Today, there were times where they had trouble with that, but that's no excuse. The defense allowed 41 points or whatever it was. Like I said, that's no excuse."

The Iowa players and coaches said they will have little time to sulk over the defeat, as they now have to go on the road to take on intrastate rival Iowa State in Ames on Saturday. The Hawkeyes will try to avenge last year's miserable 27-9 loss to the Cyclones, their first to ISU in 16 years.

"They beat us last year," Kampman said, "and we've got a prize for them this week."

shutout defense."

Cornerback Ralph Brown said the defense was motivated by a bowl loss to Arizona, and a disappointing 1998 season.

"The emotion has been high since the off-season," said Brown, a pre-season All-American. "We have been so hungry to play this year."
