We know that you are out there.

CBA study abroad knows that there are students like you who want to spend a semester in Japan. We know that you want a study abroad program that won't set you back a semester with credit you don't need. We also know that even though Wasabi sauce looks like avocado dip — boy, it sure doesn't pay to pile it on a corn chip. Above all we know that the 12-week Fall Senuhu exchange program is a great opportunity for any student on campus to experience. Tell your parents about it when you go home! For more information call John at 472-6805.
