-Pepsi love, Diane

Yes, it's that time of year again when the snow is falling, the reindeer are woozy, the squirrels are rabid, and the DN gives free space in the Personals. Happy Holidays to my Neihardt dearies (Ooops, almost said Raymond, but I couldn't forget you Piper ghetto children...) and that handful of scattered Beesticians roaming campus in a daze. Have a great break, and buy me presents!  
-Love, (el)Dom(o)

Steph & Daniella,  
With Homer missing, will our Christmas be merry? Forget Mr. Burns, I'll meet you at Harry's. Crack 'em!  
-Bobby

Stone Cold,  
I hope you have a Merry Christmas and Happy New Year in New Jersey, and that Santa brings you everything you want.  
-Love, The Rock
