Kim,  
Oh how do I love thee? Let me count thy ways. One, a lock of your golden blonde hair that I hold close to my heart when you are not there. Two, your sweet voice, I love how you sing. I'm sorry when we go to Guitars, I just refuse to swing. Three, your sense of humor, you make me rather giddy, and now that you buy my clothes, I look oh so pretty. Four, I can't resist your curves among other things. Thanks for staying with me, despite all my other flings. Five, when I found you, it was love at first sight, perhaps. I knew you would find me irresistible in my cowboy hat and chaps. Merry X-mas from your knight in shining armor.  
-Michael

Kylie and Kevin,  
I am so happy that we are such special friends! I could not be Miss H the detective with out you two!  
-Love Amy, aka Miss H

With Lots of Love, Stahl

Dear Big Pat,

To My Middle Heaven Angels, Deaf Girl, Half Pint and Goat,  
I have had the best time with you three this semester! I wish you all the merriest of Christmas' and can't wait to party together again soon!  
-Love Always, Lil' Jensen

Dear Margaret,  
I'm sorry I called you and told you it wasn't me, I couldn't handle telling you the truth, honestly. You thought it was a prank and you got really mad, but not being able to hold you on X-mas makes me really sad. I'm really sorry and want you to forgive me, I'm pouring my heart out with my sincerest apology. You became hostile when you called and I was gone, because I was at the clubs shaking my bon-bon. I may have been out gettin' my groove on with strange girls, but all I could think of was touching your long reddish curls. I know when we meet, push may come to shove, but trust me, all I want to give you is my love.  
-Merry X-mas from fuzzy Michael Bear
