**THE CAREER OF A LIFETIME BEGINS WITH A COLLEGE ELECTIVE**

Leadership Excellence Starts Here

Air Force ROTC is defined as an elective. But it's far more than that - it's a career development program that teaches you to be a leader, that develops your managerial skills, that helps you grow into a well-rounded and self-assured individual.

For those who qualify, Air Force ROTC can even help pay for college through different scholarship programs. When you graduate, you'll be an Air Force officer. Proud. And confident.
