od," he said. Potter said the talent of the musicians was unparalleled. "They have only the highest quality of musicians and have self-sustained their name as one of the top chamber orchestras for a long time now," Potter said.

Presidents deliver in latest CD

PUSA from page 8

It would be worth the cash to buy a "Tiger Bomb" single, but the full Presidents experience is felt on "Freaked Out and Small." The group's songs are timeless, always fun, catchy and uplifting. It is refreshing to listen to a band who doesn't take themselves seriously, but still writes awesome music. "Freaked Out and Small" is the best album from the band and one of the best of the year.

It's All Done with Mirrors... an avalanche of e.e. cummings

Emmy Award-winning stage and screen actor Anthony Zerbe transports audiences into the words and works of poet e.e. cummings. By bringing cummings' works to life, their true depth is revealed. Zerbe moves through characters, accents and word plays, capturing cummings' artistry and passion. U.S. poet laureate Rita Dove says Zerbe's performances "should be required viewing for all students of life, ages 9 to 99."
