

THE NEBRASKAN

VOL. IV. No. 6.

UNIVERSITY OF NEBRASKA, LINCOLN, NOVEMBER 1, 1895.

PRICE 5 CENTS

WITH SONG AND YELL

THE WAY WE DO MISSOURI

A Few Specimens of What We Will Sing—Vocal and Otherwise—All in for a Time.

The response to THE NEBRASKAN'S request for songs was not nearly so spirited as last year, when quite a number were handed in to choose from. The following, sung last year, has been changed somewhat to fit the occasion for tomorrow. Air, Vive L'Amour.

Let every good Uni. man come right along,
Come with the foot ball team;
Blow a big horn if you can't sing a song,
Blow for the foot ball team

Chorus—
U. of N., U. of N., make it one more;
U. of N., U. of N., don't let 'em score;
Don't let 'em score, make it one more,
Down 'em at Omaha.

We've scalped Sioux City and Denver's crew,
Bully old foot ball team.
We'll make it one more and down Missouri too,
Down 'em at Omaha.

Big Wilson and Whipple and King will be there,
And all of the foot ball team;
Whon a touchdown is made and a goal kicked by Fair,
YELL for the foot ball team.

Then fling to the breezes the scarlet and cream,
Wear it at Omaha;
When King bucks the line we will stand back and scream.

Chorus.
—H. C. Laughlin.

The following is taken from the University Courier (Pennsylvania). It is already familiar to many. What its peculiar charm is no one has been able to discover. Yet it has become quite popular, sung to the tune indicated in the first line.

She's the only girl I love
But she's got a face like
a horse
and a
buggy.

I met her leaning up against the lake,
O fireman save my child!
While strolling through the fountains in the park,
I met her (I don't remember),
He face was full of knuckles,
O Toddy, I'll slap
you
on the
wrist.

CHANT SONG.
We wear the scarlet;
We wear the scarlet;
We wear the scarlet and the cream,
OH!
We are the stu-uff;
We are the stu-uff;
We are the stu-uff, the people say
WHY?

THE SCARLET AND CREAM.
Below are given the words to "Scarlet and cream"—paste them in your hat! There is no one outside of the Glee Club that knows these words. Learn them now.

Sing to the colors that float in the light,
Hurrah for the scarlet and cream.
Scarlet the hue of the roses so bright,
And pale is the lillies' fair gleam,
Scarlet the east at the breaking of dawn,
And scarlet the west when the sun has gone.
Hail!
Hail to the colors that float in the light,
Hurrah for the scarlet and cream.
Scarlet the ruby, the jewel so rare
With colors so brilliant and true,
Pale is the opal so bright and so fair

As clear as the drops of dew;
Bright are our colors as fair as a dream,
Hurrah for Nebraska and scarlet and cream.

Hail!
Hail to the colors that shine in the light,
Hurrah for the scarlet and cream.

Here's to the college whose colors we wear,
Here's to the hearts that are true,
Hail, Alma Mater, Nebraska so fair,
And hail to our colors, too.

Garlands of scarlet and cream intertwined,
And hearts that are true and voices combined.

Hail!
Hail to the college whose colors we wear,
Hurrah for the scarlet and cream.

Chorus to anything, written by Hayward in a moment of inspiration.

Do do Nebraska do
Do the Missouri Hoodoo
You'll do it yet you bet you bet
O do the Hoodoo do do do do.

Do do Missouri do
Be careful what you do do
Better go down to do Perdue do
Not Nebraska nor K U U do
Do do, etc.

The following yells are to be practiced, besides the old ones:

Oskey wow wow!
Skimney wow wow!!
Shimney wow wow!!!
Wow-ow-ow-ow!!!!

Brac a cax cax
Go ax go ax
Brac a cax cax
Go ax go ax

Hoo-roo Hoo-roo
Parabaloo
NEBRASKA!

U rah rah, U rah rah,
Hoo rah, Hoo rah
Ne-lras-ka.

PAN-HELLENIC.
In Atlanta, Ga., on the eighteenth of November, will come one of the most interesting gatherings, if not proportionately important, of this year of big meetings. It is expected that representatives of every college fraternity, and it is hoped, from as many of the chapters of each as possible, will assemble in the interest of the general fraternity movement, to stimulate the grand old idea that "in union there is strength," to grasp hands in friendship and to dispense around a vast banquet board, that all-embracing pan-Hellenic spirit that is the fraternity spirit.

Pan-Hellenism is based on a very simple philosophy—that of genuine, broad-hearted altruism—and is the only consistent development of a sincere and vigorous fraternity feeling. So the fraternity man should encourage the action of the promoters of this convention, and propose to himself the possibility of accepting the hearty invitation which has been sent broadcast among the Greeks of the country. Any Greek intending to visit Atlanta's great exposition would not do well if he chose any time for the trip other than a period including the date fixed for the congress. He will get a taste of southern hospitality then, for this invitation is made by southern gentlemen, chiefly of Atlanta, and they have a pride in such things.

We believe that the fraternity idea is more enthusiastically cherished in the south than in this section, and this may be due fundamentally to that in-born spirit just alluded to and for which southern manhood is justly famous.

It is a broad spirit, a noble one, and the proposal for the Pan Hellenic congress seems to be the natural expression of it.—University Courier.

FOOT BALL SCORES.
Last week's foot ball scores are: Cornell 0, Harvard 25; Yale 0, Boston Athletic club 0; Princeton 0, Orange Athletic club 0; Pennsylvania 20, La Fayette 0; West Point 6, Dartmouth 0; Missouri State 40, De Pauw 0; Crescent Athletics (St. Joe) 6, Midlands 6. Tomorrow: Nebraska —, Missouri—?

WILL PLAY MISSOURI

OMAHA GROUND TOMORROW

Both Teams in Excellent Shape—A Low Rate Secured—Prospects for a Stiff Game—Everybody Going.

The only game of the season will be played at Omaha tomorrow, Nebraska vs Missouri. Very few university enthusiasts have ever had the pleasure of seeing Missouri play, and no one has seen our team beat them. We got one game from Missouri three years ago which they forfeited, rather than play against Flippin. Year before last and last year they beat us. The Missouri team is in better shape than it has ever been before. It received an appropriation of \$3,500 from the State legislature for the year's expenses, coach hire, fitting up grounds, suits, sweaters, etc. Under such circumstances it will not be such a surprise if they win.

Nebraska is prepared to put up a stiff game. This week practice has been unusually systematic, with careful attention to all details, and a great improvement is noticeable. The boys have the idea that they must beat Missouri this once. The ground is neutral this time, if anything favorable to Nebraska. Last year's players on the team have been heard to express themselves in language more emphatic than eloquent "that they are going to play like fiends" (with a qualifying adjective before the fiends) to beat Missouri.

A rate of \$1.10 for the round trip has been granted by the railroads. Omaha has plenty of good restaurants and chop houses, and a meal can be secured for fifteen cents. Two dollars will let everyone out easily, with a little to spare for pop-corn and peanuts.

The line up will be:
Whipple..... Moore
Dungan..... Pauley
Wilson, Capt..... McAlester
Milford..... Thompson
Bud Jones..... Davis
Hayward..... Conley
Thorpe..... Plice
Spooner..... Jones
King..... Young, Capt
Shedd..... Shawhan
Fair..... Allee

THE OMAHA GAME.

Our boys played an alleged foot ball game with the Omaha University club last Saturday, the score resulting Nebraska 36, Omaha 0. It was not much of a game, neither side putting up a very stiff game. It showed that our line was weak while on offensive playing it was very good. It gave the University team some good practice in team work and will help them materially in the game tomorrow with Missouri. The lineup was:

NEBRASKA U. C. OF O
Packard..... McKell
Thomas..... Clark
Wilson..... Jenkins
Kellar..... Laurie
Dungan..... Akin
Hayward..... Cowgill
Thorpe..... Cowan
Spooner..... Humphrey
King..... Taylor
Shedd..... Burdick
Fair..... Leonard
Time of game: Twenty-minute halves. Umpire: Oury. Referee: S. V. G. Griswold. Linesmen: Wm. Pixley and George Purvis. Touchdowns: Shedd 2, King, Thomas, Fair, Harry Jones. Goals: Shedd 6.

ATHLETIC NOTES.
The boys are all in good condition for the game tomorrow and can be relied upon to put up their best game, as they remember that Missouri has always won.

It really does us good to see the interest which the faculty is taking in our team, and a few such staunch supporters as Guilfoyle, Ward, the Chancellor and Barbour are a great help and encouragement to the boys who have to work so hard for athletics in Nebraska.

Things are getting on a good footing and if we win tomorrow they will be better. There will be a game for the

second eleven here on November 9 with the York team.

Milford, the new centre, seems to put new life into the whole team and his experience easily makes itself noticed. Kellar was good, but we think that Milford is an improvement.

Hayward has been resting all week on account of injuries received at Denver, but will be in shape for the game tomorrow.

Harry Oury is gradually recovering from his injuries received in a wrestling match and will soon be seen in his canvas jacket.

Cameron is doing good work with the second eleven and the fifteen to twenty men who have been out to line up against the 'Varsity speak well for his leadership.

We have never beaten Missouri. We hope to now.—NEBRASKAN.

We will inform our brother that their prospects are poorer now than ever before. M. S. U. has already defeated Sedalia A. O., Vanderbilt and Perdue; today she is pulling out De Pauw's tail feathers and next Saturday will cause Nebraska to disband. No, brother, it would take eleven Flippins to defeat the Tigers now.—M. S. U. Independent.

COLLEGE SOCIETY.

The Phi Kappa Psi fraternity enjoyably entertained its friends and members Friday evening in their chapter house. The preparations had been carefully planned and the occasion was fully as enjoyable as anticipated. Hagenow's orchestra had been secured for the evening, which rendered some excellent dance music. Wide doors between four large rooms and smoothly waxed canvass made the best of dancing room. Those present were:

Mr. and Mrs. J. W. Morrow, Mr. and Mrs. R. C. Bentley, Misses Emily Weeks, May Whiting, Edna Carscaden, Stella Kirker, Belle Reynolds, Mariel Gere, Edna Polk, Besse Turner, Ellen Gere, Georgie Camp, Eug. Ricketts, Nama Lowe, Francis Gere, Marsland, Pulis, Ethel Byers and Jessie Lansing; Messrs. Frank Steiner, George Shedd and Charles Thompson, and the members of the chapter, Virgil Barber, Orlo Brown, Prof. Elliott, Ward Hildreth, Fritz Kormeyer, Bert Kimball, Tom Mapes, Percy Powers, Clint Norton, Dick Reed, Jesse Rowe, Julius Sedgwick, Ernest Wiggernhorn, Bert Wilson and Harry Shedd.

The entertainment the members of the Omaha club provided at Van Denberg's parlors last Friday for the students who entered the University this year from that city, was a success in every particular. It was a novel and inexpensive way of bringing the Omaha people together. All became acquainted with each other and had a good social time.

There was an even thirty seated at the continuous row of tables when President Whipple called order. Ices, candies and cake were served, after which the program of toasts as published in last week's Nebraskan, was given. The class toasts were enjoyable in the extreme. Anyone not knowing Omaha High School patriotism might have thought the speakers were the greatest monumental fabricators on earth. But the members all knew how to take such boasts and praises and enjoyed them immensely. The toast of Miss Nellie Randall for '95 was the best of the evening. It was set to the metre of "Hiawatha" and delivered in her charming way, convinced all that '95 knew how to talk if it wasn't so much of a class. The party broke up at 11:30 with the Omaha club yell closely followed with "U Rah Rah," etc.

The members of the club wish to express their thanks to Mr. Van Denberg for the excellent service rendered by himself and clerks and recommend him to any other club desiring to give a party of similar nature.

Ten tally-ho parties have been arranged for by the Omaha alumni of the various eastern colleges. The following will be represented: Yale, Harvard, Princeton, Michigan, Amherst, Cornell, Omaha Medics two coaches, Nebraska fraternities and the Omaha Guards.

NEW LIFE IN ATHLETICS

THEY DO TURN THINGS OVER

Meeting of Committees From Faculty, Alumni and Students—Elect Some New Officers and Discuss General Athletics.

A meeting of the athletic committees from the faculty, consisting of Professors Barbour, Fling, Ward Clarke, Nicholson and Guilfoyle; from the alumni, Messrs. Reese, Pound and Dixon, and the student athletic board, Messrs. Whipple, Cameron, Spooner, Everett and Shedd, was called to order this afternoon for the purpose of electing a manager of the foot ball team to fill the unexpired term of Mr. Sheldon, who resigned a few days since, and electing an assistant foot ball manager, base ball manager and assistant, and to talk over the question of general athletics in the University.

Mr. Whipple, former assistant, was elected manager of the foot ball team for balance of present season and Mr. Everett his assistant.

Mr. Hayward was elected base ball manager and Mr. A. R. Andrews his assistant.

It was decided that owing to the large number of students wishing to attend the Kansas-Nebraska game in Lincoln, who are unable to pay their admission, one hundred tickets be placed in the hands of the faculty committee to be given to such students as make application and leave their names with Miss Tuttle at the executive office.

The matter of track athletics was discussed for the coming season and the opinion of the meeting was that a track athletic team should be sent to compete in the inter-collegiate meet in Chicago next spring. Plans were set on foot for securing a track on the campus around the

Let every student who can possibly do so attend the Missouri-Nebraska game in Omaha Saturday, and cheer on his team to victory.
The time has come when Nebraska university should give vent to a spirit of good fellowship and enthusiasm never before seen in a western college.

GLEE CLUB ELECTS.

Wednesday afternoon the glee club held a business meeting and elected the following officers for the year:
President, F. C. Clements.
Vice President, B. S. Langworthy.
Secretary and treasurer, W. D. Bancroft.
Librarian, C. S. Norton.

The constitution was amended and the executive committee increased from three to five.
The twenty-two members are practicing twice a week and are making rapid progress under Director Tucker. The club is planning a trip to take in Nebraska's principal cities, Kansas City and Council Bluffs and to last about two weeks. The boys mean to have dress suits and no pains will be spared to make the trip a grand success. The banjo or mandolin club will be taken along to furnish the instrumental music.

There is no reason why the club should not have the most successful year in its history.

WILL PLAY DOANE.

Doane has finally come around and cided to play the University team. Everything they asked was granted them except to play according to the old rules, which allow the flying mass plays. Our manager thought we should run no risk of crippling the men and so refused Doane's terms last Thursday. They came around later, however, and consented to play according to modern rules, so a date was fixed, November 19, three days after the Kansas game. The game will be played at Crete and the baby given everything it cries for.

The Omaha Y. M. C. A. guarantees the expenses of both teams, retaining the net proceeds, if there be any, for the rent of the grounds. The Nebraska managers think this a good deal, as heretofore this game has been played at a loss to us.
